2024/25 School Circular No.7

10th September, 2024

Dear Parent/Guardian,

Student Grant (2024/25 School Year)

As part of the \$19.1 billion relief measures announced by the Financial Secretary in August 2019, a one-off student grant of \$2,500 for each secondary day-school, primary school and kindergarten student was provided in the 2019/20 school year to alleviate parents' financial burden in defraying education expenses. The provision was approved by the Finance Committee of the Legislative Council on 6 December 2019. According to the Chief Executive's 2019 Policy Address, the provision of the student grant has been regularised starting from the 2020/21 school year.

Application Arrangements

Starting from the 2024/25 school year, the electronic submission (e-submission) of student grant applications will be expanded to all school types.

To cater for the needs of individual parents, apart from making e-submission, parents can still opt to fill out the paper application form and submit it to the school for further processing. **However, only one application, either in electronic form (e-form) or paper form, can be submitted for each eligible student.**

Relevant Arrangements of e-Submission

Applicants must have an "iAM Smart+" account with a digital signing function. They may log in to the online service of "e-Submission of Student Grant Applications" via the "iAM Smart" App direct, or scan the QR code or click the link below and log in to the e-submission platform (e-platform) to submit electronic applications (e-application).

For details of "iAM Smart" registration, applicants are advised to visit the "iAM Smart" thematic website at <https://www.iamsmart.gov.hk>.

Applicants should read carefully the "Guidance Notes" on the e-platform. Those who received the student grant in the previous school year will be given a pre-filled e-form upon identity verification (which may necessitate entering a one-time verification code). These applicants simply need to verify the pre-filled student and applicant information in the e-form and enter the student's class name before proceeding with e-submission using digital signing.

Before submission, applicants must ensure the accuracy of all provided information, particularly the school name and address, to prevent delays in the application process. Schools are advised to furnish parents with relevant details (e.g. school name, number and address) for reference to ensure the correct selection of school names.

The e-platform will open at 6:00 a.m. on 13 September 2024 and close after 11:59 p.m. on 2 October 2024. Applicants may submit e-applications via the e-platform during this period. They may scan the QR codes below for details on the application procedures and to learn more about how to fill in an e-form:

EDB will inform the applicants of the application status and other related matters via SMS and/or email. Applicants can also check their application status on the e-platform and use its other functions, such as updating or amending information, or uploading supporting documents as requested by EDB.

Distribution of Paper Application Forms and Relevant Arrangements

Our school will distribute the paper application forms to parents of eligible students starting from 9 October 2024, except for those who have submitted an e-application. **The paper application forms, together with the Notification Slip, should be returned on or before 30th October.**
