Dear Parents,

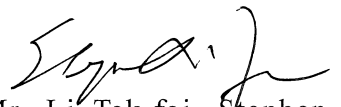

**Bringing Mobile Phones to School**

While we appreciate that your child might own a mobile phone, our school has telephones for students to use to communicate with their parents. It is also more reliable for parents to inform their child of important matters by calling the school directly.

We understand that some parents may want to communicate with their child after school through mobile phone. They need to apply to the school for their child to bring his/her mobile phone to school. Moreover, students who bring their mobile phones to school with the school's approval will need to comply with the following rules:

- 1 After arriving at school, students should turn off their mobile phones and lock them in the mobile phone cabinet using their own locks. They can take back their mobile phones before they leave school.
- 2 Use of mobile phones is not permitted in school campus. Violators will be given a demerit.
- 3 Students are not allowed to use mobile phones for photo-taking, video-recording or chatting at school without the school's permission.
- 4 Students should not bring expensive mobile phones to school since they are just tools for communication.
- 5 Senior form students are allowed to get their mobile phones for lunch outside school. After arriving at school, students should lock their mobile phones in the mobile phone cabinet.

Yours faithfully,

  
 Mr. Li Tak-fai, Stephen  
 Principal
