Overseas Activities for the Academic Year 2024-25 (Enrolment)

(Japan: Kyoto-Osaka-Kobe area)

Dear Parents and Guardians,

The school is organising various overseas activities to give students more opportunities to learn outside the classroom and explore in a cross-cultural environment. These activities aim to ignite students' curiosity to discover different cultures and histories, bettering their understanding and cultivating respect for diverse cultures that contribute to their intercultural competence. The study tour highlights history, art, and natural landscapes. By learning through interactive experiences, students can strengthen their knowledge, broaden their international perspective, and be inspired to develop student-driven learning that fosters personal growth and development.

Please provide the following information to indicate your interest in participating in this overseas study tour. Please note that due to limited quotas and resources, if a student receives confirmation from more than one study tour enrolment in the school year 2024-25, **the student can only receive school subsidy once; any additional confirmations will require full payment.**

This is an enrolment form. No fees are required at this stage. Payment and documentation instructions will be provided upon receipt of a confirmation letter from the teachers-in-charge.

Please complete the following reply slip and return to your class teacher by 28th February, 2025.

We hope that your child can broaden their horizons through the study tour mentioned below. For inquiries, please feel free to contact the teachers-in-charge at 2551 8285.

Yours faithfully,

Mr. LI Tak-fai, Stephen
Principal
