Dear Parents,

**Secondary 4 Elective Subject Preference Survey**

Secondary 3 students will be promoted to senior secondary next school year. In the Senior Secondary Curriculum, your child will need to choose some elective subjects apart from taking the 4 core subjects. You should consider the strength and interests of your child when you rank the choices. Please see the detail below:

<b>Core subjects (Compulsory) :</b> Chinese, English, Mathematics, Citizenship and Social Development	4 subjects (Compulsory)
AND	
<b>A. Elective Subjects</b> <small>(Remark 1)</small>	Choose 2 subjects
AND	
<b>B. Additional Subject</b> <small>(Remark 1 and 2)</small> (i) Mathematics Extended Part Module 2 (M2) OR (ii) Applied Learning OR (iii) STEAM	Choose 1 subject

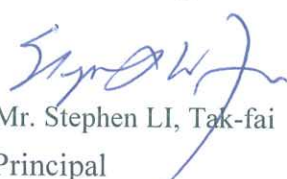

**(Remark 1)** Subjects offered by the school depend on the school's development needs, course providers and other factors.

**(Remark 2)** Subjects are offered in accordance with the EDB's initiative 'Optimising the Four Senior Secondary Core Subjects'.

We are now collecting the S4 elective subject preference surveys from our current S3 students. Please fill out this survey form, then return it to the class teacher before 8 Jun (WED) for preliminary statistics. Please be aware that the school reserves the right of what elective subjects it offers in accordance to the school's development needs. For any enquiries, please contact our Academic Committee Head, Miss Rachel TSUI, on 2551-8285.

Thank you for your attention.

Yours faithfully,

  
Mr. Stephen LI, Tak-fai  
Principal
